Subject: Documents Referenced in 7-17-18 Meeting

All:

Thanks again for accommodating our request to meet in our offices. As promised, I am attaching copies of documents referenced in the meeting. I included two additional sets of weekly payment schedules that we have. For your convenience, I have bates labeled the documents – JAO.BRV.FILES-000001 – 24.

Thanks,

John Kinchen

This document and the two in the following slides were explained and delivered to the prosecutor Sarah E. Edwards, of the government in July 2018. There were no comments or response from her. The Superceding Indictment shows that the existence of these documents was omitted before the Grand Jury.
